Mark your calendar and plan to participate in the  
Silverton Chamber of Commerce First Annual  
**Silverton Paws in the Park**

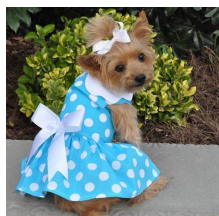

Held in the beautiful Coolidge McClaine Park in Silverton, Oregon on Saturday, May 20, 2023; this event will entice pet lovers and pet enthusiasts from all over the region with vendors showcasing all there is to love about our pets and how to pamper them. This event will build on the long running community tradition—The Silverton Pet Parade.

To make this an unforgettable event for attendees, we are seeking vendors with fun, interactive displays focusing on pets of all types; rescues, breeders, photographers, bakers, pet suppliers, specialty items catering to our pets, writers with pet stories to tell and more. In-booth demonstrations are welcome and provide a good venue for showcasing your business or organization and/or products.

This is an outstanding and affordable opportunity to highlight your business, services and/or products—and to introduce pet lovers to Silverton; an extremely pet-friendly community for day trips or weekend visits. See the enclosed form for fees and how to sign up .

**For our Sponsors:**

The Silverton Pet Parade is a time-honored event that brings thousands to participate or watch the annual gathering of pets of all types and their owners. This new event will capitalize on an existing audience and build on the love people have for their pets. We anticipate large crowds of pet enthusiasts to extend their stay in Silverton beyond the parade and join us for this fun filled day long event. In addition to the promotion of this event, we hope to establish Silverton as a pet friendly destination year round. Your sponsorship will help us launch this event as a premier pet friendly event in the Willamette Valley.
